Subject: Gerontology Older Adult Scholarship Competition Underway

As a network that educates, serves and advocates for older adults and their families, GGS has decided to sponsor an annual gerontology scholarship award program for older adults. This program provides scholarship opportunities to attend the annual conference to retired members of GGS. By making these awards, we aim to promote continued interest and involvement in aging-related issues.

The scholarship award winners will be recognized at the GGS annual conference at the award ceremony. Conference fees will be waived for the winners and they each will receive hotel and mileage reimbursement. Included with the scholarship award is also a one-year membership renewal to GGS.

The 2018 annual conference will be held this year in partnership with the Southern Gerontological Society at the Legacy Lodge and Conference Center April 11-14, 2018.

Current Retired GGS members are eligible to apply. Two scholarships will be awarded. If you have any questions, please do not hesitate to contact Amanda James at administrator@georgiagerontologysociety.org
