GGG 68TH
ANNUAL CONFERENCE

July 24-26, 2023
Ritz-Carlton Reynolds,
Lake Oconee

The 68th Annual GGS Conference theme is *Design Your Vision of Aging: Connecting Goals Through Collaboration*. The three-day conference allows attendees to hear about new and innovative practices, develop new collaborative partnerships, and network with colleagues from across Georgia and beyond. We hope everyone leaves inspired and informed to improve the lives of older adults and the communities in which they live.

Five tracks offer a platform to explore new ideas, innovations, and collaborations. They are Empower Caregivers – An Unforgettable Journey; Hope in the Age of Dementia – New Knowledge, Science, and Solutions; Making Connections for Physical, Behavioral, and Social Wellbeing; Protecting Rights and Advancing Justice; and Resources, Supports, and Technology to Age Well. The GGS Annual Conference experience provides an opportunity to engender an open dialogue for personal and professional growth.

"I LIKED THE INVITING
ATMOSPHERE AND HOW
EMPOWERING IT WAS TO
SEE SO MANY PEOPLE
THAT SHARE THE SAME
LOVE FOR OLDER ADULTS
THAT I DO. IT IS VERY
ENCOURAGING AND
MOTIVATING TO BE
SURROUNDED BY
PEOPLE IN DIFFERENT
WALKS OF LIFE."

WHY SPONSOR?

ALIGN WITH THE GGS COLLABORATIVE

The Georgia Gerontology Society (GGS) is a statewide multidisciplinary professional network that educates, serves, and advocates for older adults and their families. Since 1955, GGS has been a principal network of educators, professionals, and businesses that serve older adults in Georgia. While the majority of our members are professionals, we welcome anyone interested in aging and gerontology. Our multidisciplinary focus allows us to build partnerships across sectors and help break down silos. There's something for everyone at GGS. Our work focuses on 3 main areas:

- **INFORM** – GGS provides quality education and training opportunities to enhance professional and personal development.
- **ADVOCATE** – GGS fights to improve the lives of older Georgians through policy and legislative advocacy.
- **SUPPORT** – GGS promotes careers in gerontology through networking, mentoring, and scholarships for students and early career professionals.

BUILD RELATIONSHIPS

Participate in valuable networking opportunities that allow you to have one on one conversations with potential customers, build upon existing relationships, and demonstrate your leadership and innovation in the aging and related fields. Our attendees are excited to learn about products, services, and resources that can help them do their jobs better.

CHANGE LIVES

Through the generosity of sponsors, our conference:

- **CONNECTS** professionals with information to improve the quality of care they provide to older Georgians and their care partners;
- **EMPOWERS** professionals to make connections and collaborations that will lead to more efficient and creative solutions to the problems facing our older population;
- **INSPIRES** students and early career professionals to pursue careers in gerontology which helps address workforce deficits in the aging field; and
- **RECOGNIZES** deserving individuals who work tirelessly for our older population and their care partners.

Therefore, specific exhibitor breaks will be scheduled, at which time someone will be required to be present at your booth. You will be provided with the times of exhibitor breaks once the conference agenda has been confirmed.

All exhibitors will be provided with one six-foot table, two chairs, and table linen. All exhibitors will be able to participate in the Monday Presidential Reception, the Tuesday Continental Breakfast, and all breaks. All other conference events are reserved for conference attendees.

Prime exhibit space will be determined by the level of sponsorship. The selection process within each level will be based on the order in which sponsorship payment is received.
